

SUPPORT THE IHSA

Founded in 1967, the Intercollegiate Horse Show Association (IHSA) is a non-profit competitive and educational organization encompassing almost 400 schools and over 8,700 competitive collegiate riders. There are many ways to support the IHSA:

LEAD SPONSORS

Join corporations, associations, foundations and businesses such as AQHA, Hodges Badge Company, Equisure and a number of private donors in making a significant gift in support of the IHSA.

PRIZE SPONSORS

Whether providing prizes on a regional or national level, our sponsors enjoy high visibility with a targeted demographic. From supporting local teams to being in the winner's circle at the IHSA National Finals, our prize sponsors supply in-kind gifts.

SCHOLARSHIPS

The IHSA is committed to making education affordable to all students in need. Though the Intercollegiate Equestrian Foundation, over 30 scholarships are available to students who demonstrate dedication and need.

BENEFITS

Let the IHSA help you create a custom package of benefits that include program ads, vendor space, visibility online, outreach to riders, banners and signage, as well as many other options. Gifts of money, services and in-kind goods are tax deductible.
